

Avira AntiVir Campus

The special Avira Anti-virus package for educational institutions

When it comes to virus protection, schools, colleges and universities are faced with a huge challenge because of the large number of ever-changing PC users. **Avira AntiVir Campus** is the answer to all security issues in educational institutions – at exclusive conditions.

Avira AntiVir Campus is specially tailored to the needs of small and medium-sized educational institutions and for colleges and universities and offers optimum performance at exceptionally attractive conditions. The package protects against a wide variety of digital threats and reliably protects all levels of the network from malware infection.

Scope includes licenses for Windows and Unix, Installation support and the **Avira Security Management Center** for time-saving administration and management of Avira AntiVir Solutions. As an option, Avira AntiVir Exchange – incl. Avira AntiSpam – ensures secure and efficient email communication.

All inclusive

- **Avira AntiVir Professional (Windows and Unix)**
- **Avira AntiVir Server (Windows and Unix)**
- **Avira AntiVir MailGate (Unix)**
- **Avira AntiVir WebGate (Unix)**
- **Avira Security Management Center**
- **Avira AntiVir Mobile**
- Optional: **Avira AntiVir Exchange incl. Avira AntiSpam**
- 14-day free installation and configuration support by phone and email

System requirements

Please see the system requirements for the individual products belonging to Avira AntiVir Campus.
